Patriots of Sonoma Valley Organize Citizens Defense League Here Wednesday

Roll is Growing and Mass Meeting to be Called, When Purpose of Organization Will be Explained

With true American fervor and deep feeling of loyalty for this country now in a state of war, a number of representative citizens met at the City Hall Wednesday evening and organized the Citizens Defense League of Sonoma Valley. The meeting was called to order by Frank Sprague who in a few well chosen words vied the purpose of the organization in our midst and the splendid talk was followed by the unanimous adoption of the following resolutions:

Whereas—our country is in a state of war with foreign enemies and

Whereas—the President of the United States by his message to Congress stated the reasons which have compelled us to assume the status of belligerent, and

Whereas—the President has issued his proclamation which today constitutes the law of the land defining the duty of citizens and aliens.

Now therefore, be it resolved that we the undersigned residents and citizens of Sonoma Valley on our

honor, pledge our support to the spirit and meaning of said message and proclamation and further pledge our assistance and support to any properly constituted authority designated and empowered to carry out the requirements of said proclamation.

All present signed the State League of Defense roll but the Sonoma Valley organization is separate and distinct.

It is the purpose of the executive committee composed of the following gentlemen to call a monster mass meeting shortly:

Dr. Thomson, Will Clements, Fred. Duhning, James Baines, R. E. Perkins, President, Frank Sprague, ex-officio.

J. J. Shofner, a West Pointer and ex Army man, whose son is in the Navy at the present time, is to lend his assistance in furthering the movement as are other ex-army men of whom there are many in Sonoma Valley.

Edwin Clapp of Glen Ellen, a member of the Freshman class in High School, was awarded second prize of fifteen dollars by the California Branch of the Sons of the American Revolution in a contest open to all High School pupils of the state of California, the subject being "The Spirit of 1776."

This is the third time that Edwin has been awarded prize money in literary contests. He was awarded a prize for a criticism of Booth Tarkington's Seventeen and for an essay written on viticulture.

One of the largest shipments of wine from Napa county for many months was made by G. de Latour, of Beaulieu, Vineyard, Rutherford, this week, when he started on their way East Thirteen carloads containing 30,000 gallons of choice Napa valley wine. Yet Rominger would give his life's blood to blot out this industry too.

The Womens Club will hold a card party at the Club House on April 24.

Al Miller has had a visit from his brother and nephew who rode up here from Long Beach on a motorcycle.

Mrs. Harry Quartaroli and little son are now home, having arrived from San Francisco Wednesday evening.

SUNSHINE USHERS IN EASTER SUNDAY

Joyous Day of Resurrection Marked by Impressive Services in Churches and Reunion of Families.

Easter Sunday though early this year was ushered in with unusually beautiful Spring weather and when the church bells rang out the joyous commemoration of the Resurrection it seemed that all the earth was attuned to the promise of life eternal and to the day of perfect peace.

As usual the beauties of field and flowers wearing their gala garb of nature's boon had rivals in the bright hues of milady and her modish gown-of mustard, reseda, rose and wistaria shades. Old as well as young went forth in their best raiment and the various places of worship were thronged both at morning and evening services.

The pilgrimage to St. Francis Church began shortly after 7 o'clock for at the early Mass Rev. Father Moran gave Communion to the Young Men's Institute members who attended in a body and received the holy sacrament. The altars of St. Francis were decorated with the most beautiful of white flowers, no color whatever being used. The tall Calla lilies, chaste bridal wreath and carnations were artistically arranged with an intermingling of smilax strands caught up high above the chancel. The blessed candles gleamed at intervals and the chancel arch was illuminated with myriads of electric lights.

Worshippers thronged the church both at the early and at the High Mass at 10:30 when Father Oliver S. J. from St. Ignatius University delivered a splendid sermon, his theme being the resurrection, eternity and the preparation which should be a part of the approach to the life everlasting. The Augmented Choir rendered the impressive music in excellent unison and Lulu Vallejo Empanan's solo work was excellent.

At the Congregational Church there was a goodly attendance, the Ladies' Aid being the special guests in the morning and occupying the center aisle seats. There were also many young people out and a number of very elderly, devout and faithful members to whom Dr. Pfeiffer inspiring message of the truth of immortality was a joyous and reassuring message.

The decorations under the artistic direction of Mrs. H. J. Wicker were superlatively beautiful. The color scheme was purple and white. Wistaria, iris, lilacs, ferns and palms were used with tasteful effect for the pulpit adornment, while graceful sprays of wistaria added a touch of colorful beauty to the body of the church. The choir consisting of Mesdames Steckmeyer, Burlingame, Misses Mildred Erickson, Zolita and Nancy Bates and M. H. Rowell, rendered appropriate numbers. Mr. Rowell's solo "Hosanna" was much complimented.

Rev. Mr. Pfeiffer took for his text the lines of Job "If a man die shall he live again?" He declared it to have been and to be a natural question for with the passing of our loved ones, we long to again clasp the vanished hand and wistfully wonder if we live again.

"If a man die shall he live again?" is also a persistent question said the speaker and one variously answered by the atheist who says no, the skeptic who says, we don't know, the agnostic who declares we can never know and the Christian who says, "It must be so." The Christian accepts the fact of God and argues that He being a rational being will not destroy his masterpiece man anymore than would great creators like Raphael or Angelo, their works of art.

Mr. Pfeiffer dwelt on intuition and the desire or yearning for higher and better things than we ever attain here as proof of the more perfect eternity. He quoted the intuitive words almost prophetic, of geniuses like Victor Hugo who said in his last days, "Eternal Spring is in my heart" revealing not the end of life but the dawning of a brighter more wondrous future, undeveloped possibilities and

LIBRARY BENEFIT BIG SUCCESS

Union Hall Packed to Capacity on Night of Minstrel Show.

The minstrel show and cabaret given last Wednesday night for the Library was a pronounced success, both socially and financially. The program was received with the greatest enthusiasm and declared the best and most novel presented in Sonoma for many years.

About \$75.00 was cleared.

Following is a card of thanks from the Library Board:

The members of the board of Trustees of the Public Library, wish to express to Mrs. Murphy their deep appreciation of her invaluable services in staging the recent very successful Minstrel Show, and also to extend to every member of the troupe and to all other participants in the entertainment, their sincerest thanks for the assistance they so willingly and efficiently rendered.

FRIDAY 13TH LUCKY

FOR DEFENDANTS

Judge Small yesterday decided three cases, all for the defendants. In the matter of the Sun, Tent and Awning Co. vs. Nevramont, judgment was rendered in favor of defendant; Nufer vs. Fest and Nufer vs. Morris, also for defendants.

Stanley Phillips captured in Sacramento and charged with obtaining money under false pretenses, will be tried before Judge Small this morning. He purported to sell a rug to A. Soderberg.

The Rominger bill was defeated in the Assembly. Mr. and Mrs. James McElney have returned from a brief outing in the northern part of the county.

FINE TIME AT AGUA CALIENTE SPRINGS TONIGHT

The entertainment and dance to be given tonight at the new hotel—Agua Caliente Springs—promises to be a very enjoyable affair and largely attended. It is for the benefit of the Boyes Springs Improvement Club. The popularity of that organization and Mr. and Mrs. Richard's new hotel, ensures its success. All those who attended the last affair at Agua Caliente will be there again tonight for they were loud in their praise of the good time and the hospitality accorded.

unquenchable instincts now latent and slumbering potentialities will be realized with the dawn of eternity. The uncompleted span of a bridge apparently aimed to reach the other shore was compared with this life intended to be the approach to life everlasting.

The eternal Christ, said Dr. Pfeiffer, demonstrates the truth of immortality. Christ revealed immortality, he didn't create it. What may be regarded as a supernatural act may be natural only regarded as supernatural because of our limited vision gradually unfolding. Science was held to be unreliable and Faith the touch stone which transforms the hopeful world and brings it nearest Truth.

The sermon ended with felicitations on the Easter season and the wish that all would attain the perfect goal.

At the Trinity Episcopal Church, Rev. Mr. Rimer chose for his text, Corinthians 15:20; "But now is Christ risen from the dead and becomes the first of fruits of them that slept." This was St. Paul's triumphant reply to some of the Corinthians who had expressed doubts regarding the Resurrection from the dead. Mr. Rimer brought out how St. Paul used the Resurrection feast of first fruits to bring home to the Corinthians the fact of our Lord's resurrection. He traced the historical evidence of the resurrection, facts given to us in the Scriptures of life beyond the grave, truths regarding our own resurrection. Christ being the first fruits, the great harvest must follow. "You and I my brethren," said Dr. Rimer, "will be a part of that great harvest." He brought home the importance of preparing for the great harvest when Christ shall come with his angels to gather in the harvest of the world on the glad eternal day.

Trinity was crowded with worshippers and the chancel adorned with white flowers and the naive in purple iris and lilacs made a very effective decorative scheme. The vested choir was heard to much advantage.

The Methodist Church was very prettily decorated in the lavender and white shades and the attendance was very good particularly in the evening when Rev. Henry Waltz delivered a fine sermon to the Masons who attended in a body.

A WINGED PEST

If you had a big wad
And a super-abundance of bulk
And nerve
And were self inflating
And an authority on measles
And other legal training
And could not be elected
A school trustee
Of your district
Wouldn't it shrieve you?
Some people to learn
The A. B. C. of politics
Have to have a school house
Fall on them

It might seem easy
To get some kind
Of a political job
But it ain't so easy
As it looks
Even when you hire
Jitneys
And tell 'em you are
The guy to vote for
And that you are a lawyer
And know the
Measles when you
See them
They know there's
Worse things than
The Measles
And that is the pest
That's always trying
To start something
And root into
Other People's business
Measles may be scaly
But once you break out
And get 'em out
Of your system
It's alright but the
Other pest never scales off or
Wears itself out
Simply breaks out
Every Spring and every other
Season that there is a chance
And the people
Sit on it and sit on it
But that germ of egotism
Is irrepresible.
When we get that mosquito
Abatement district
We better take in
A few more narrow winged
Specimens
But then we should
Worry
The gale will
Blow 'em away
Aye
To some nice high and dry haven
Let us pray
Whither the irony of fate
Will send a scientist
To catch 'em and immerse
'Em in alcohol
(Hated solution)
With not a protest from Rominger
Then shall the pest have
Died a pleasant death
And we will be able to study
The species at close range
And find out why its wings
Didn't develop enough
So it could get somewhere
Why it just had the marked
Gift of
Hornning in.

Motion carried that secretary write Dr. Parramore to appoint a member of his committee to be present at meetings of Executive Committee.

Motion carried to adjourn.

M. H. Rowell, secretary.

There will be a contest for the most popular Sonoma Valley young lady who will preside over the three day's celebration. She will be nominated at the grand ball to be given shortly at the Womens Club house for the benefit of the celebration fund. With every ticket will be given

en 50 free votes. Be there to name your favorite young lady.

Mayor Rolph is counting on being with us the opening day as the following letter shows;

April 9, 1917

Mr. Morris Levy, Vineburg.
Dear Mr. Levy:—Many thanks for your favor of April 4th and for the cordial invitation it conveys, the compliment of which I value. I am looking forward to being with you at your celebration on June 14th, and await further details, as suggested in your note.

Thanking you, with best wishes, believe me,

Very sincerely
James Rolph, Mayor.

The second benefit dance for the celebration will be held next Saturday night, April 21st at the handsome new Agua Caliente Springs hotel. Tickets 50c, ladies free.

Woman Representative In War Time!

Our only woman representative in Congress, Miss Jeanette Rankin from Montana, refused to vote on the declaration of war which recorded her opinion in the negative. Her attitude is not to be regarded as evidence of women's weakness or indecision at a critical time in the affairs of the nation but it evidences tenderness of thought and consideration for woman-kind and is a flash of the divine spark from out that far distant idealism which portends perfect peace not perhaps for this age but inevitable with the coming of years as yet specks on the horizon of time but destined to spell the dawn of a new era. It is an assured fact that we have a most capable American in Miss Rankin serving her country at a time and in a way that should make woman's heart beat high, for we believe that she will not only uphold President Wilson in every way possible but that she will be an inspiration for the magnificent work which is the complement of war and assuages so many of its terrible aspects.

In the matter of providing for the helpless and dependent families of patriots and heroes and in the great work of the Red Cross her influence should be invaluable. It is a signal honor for a woman to have reached so high a place as Congress in war council and we trust she will be the help there that women have always been in war time, whether in the mute and inglorious halls of sacrifice and martyrdom or on the field of glory or in the teeming channels of industry where their ready hands take up the work of toilers gone to war. The woman an American has proven and will prove herself to be entitled to representation in Congress in war time.

Sowing the Seeds of Interest in Your Community

There is an old and trite saying that you never can tell what you can do until you try, so you can never hope to reap a harvest of community progress and prosperity unless you sow the seeds of interest in the community of which you are a part. Scatter far and wide good reports of the place where you live and if it is worthy of these good reports, the news will spread like wildfire and you will be more than repaid for the effort. We are having this demonstrated in the present celebration. The little stir we have made is bearing splendid fruit and almost every paper you pick up now is filled with accounts of the attractions of the Valley of the Moon and the coming days in June.

It was a long time before the Southern Pacific evinced much interest in its Sonoma Valley branch other than its terminal, Santa Rosa, but with the insistent inquiries in regard to the county made famous by Jack London's widely circulated novel and with the demonstrated desirability of this valley for health and recreation, it became more than a little historic spot, although the charm of romanticism and the old Mission intermingles with the newer side and makes it doubly attractive.

With the growing popularity of motor cars and the coming of good roads and a new system of highways, Sonoma Valley's importance has increased. We have but to make it better and more widely known, and our efforts in this direction, particularly at the present time by means of the celebration, is demonstrating that with but little momentum our valley is getting a wonderful lot of fine advertising. We are gathering "speed" every day and the manana days long associated with the old mission town of Sonoma are to be consigned to the film world for they no longer belong to the busy real world of today where the slogan "do it now" is most apropos to advertising.

With the agitation for new laterals and the publicity launched in connection with the Sonoma Cut-off celebration, Sonoma Valley and its manifold attractions are coming into their own. Let us go on with this laudable work and money spent on publicity will come back to us ten fold. The good to be derived from advertising Sonoma Valley will endure long after the celebration itself is but a pleasant memory.

Forest Fire Preparedness

With the leafing out of the trees and the growth of underbrush and grass, fuel for forest fires is coming into being and it is none too soon to begin to talk protection and to school campers and careless hunters in the care which they should exercise to safeguard our lovely hills and canyons. The all consuming flames of the summer season fires are all too common and blacken and devastate beauties which are in themselves real assets to say nothing of fencing, pasture and timber which lie in the path of the hot breathed demon. Even in the National forest the fire loss last year was \$162,385 as the following report goes to show:

San Francisco, February 19.—A loss to the Government of \$162,385 in timber, forage, and young growth was caused by fires on the National Forests in 1916 according to statistics compiled by the Forest Service. Although there was more than the average number of fires, the loss is the smallest that has been sustained from fires since the National Forests were established. A favorable season in the regions where the most severe damage is usually sustained is given as the chief reason for the relatively small loss.

A total of 299,377 acres of Government land was burned over. In addition to this, the fires covered 123,160 acres of privately owned land in the National Forests where timber valued at \$36,214 was consumed. About 44 per cent of the total area burned was located in the National Forests of Arkansas and Florida.

Of the 5,655 fires which occurred, 4133, or 73 per cent, were confined to areas of less than 10 acres. Many of these small fires, according to the Forest Service, might have developed into serious conflagrations had they not been extinguished in their incipency.

The average cost of fighting each fire was approximately half that of former years. Lightning was the chief cause of the fires and was responsible for 23 per cent of all those which occurred. The causes of 18 per cent were unknown, while careless campers started 17 per cent. There was a slight increase in the fires of incendiary origin, as well as those caused by lightning, all the fires were due to human agencies. One fire in Idaho which burned 600,000 feet of timber was caused by the carelessness of a ten-year-old boy.

The season was one of particular severity in the southwest, as well as parts of Colorado and Wyoming, where local weather conditions created at times a grave situation. In Washington heavy loss was caused by fires which started in inaccessible places and which the rangers were unable to reach for several days because of the lack of trails.

SHORTHORN FANCIERS VISIT LONDON RANCH

F. W. Harding, secretary of the National Shorthorn Association from the state of Wisconsin, Mr. Foster of Hopland and Thos. Miller of Imperial Valley, all shorthorn dealers of prominence visited the Jack London ranch last week to look over the stock there.

Mrs. Shepard, superintendent of the ranch daily expects the seventeen head of shorthorns recently purchased at Chicago but which have been delayed on account of the shortage of cars.

Arch-bishop Hanna expects to be here next month and will confirm a large class in Father Moran's parish.

Wm. Collins of the Don Theatre is not only a moving picture man—his latest is moving eggs to New York. Last week Collins shipped by parcels post some of Sonoma Valley's famous hen fruit to his sister in the Empire state. They arrived in good condition and sunny side up "exactly" as he packed them, says Bill.

Mrs. Ed. Johannsen is spending a few weeks in Kennett, Shasta County, with the Cutters.

Mrs. Eph Cutter has had the joyous news of a new little grandson born to Mr. and Mrs. Cedric Cutter at Kennett.

The Flying Needles met at the home of Mrs. McElroy April 4th and the usual fine time enjoyed. Dainty refreshments were served.

The Flying Needles will meet at the home of Mrs. Jack Picetti April 18th.

Mr. and Mrs. Maurice Power witnessed the opening program at the Casino, San Francisco's new playhouse.

Fred. Batto has purchased the old McHarvey home from the estate of the late Arvilla McHarvey.

Trustee A. P. Ringressy of the Flowery School was in Santa Rosa Monday on business.

Mrs. Susie Batchelor went down to the Presidio Monday to visit her son Wayne of Company E.

Mrs. Fred Hansen returned Saturday from the city where her mother lies critically ill. She was summoned to her bedside again this week.

George Mangels drove to Petaluma Saturday with 2500 baby chicks from the Sonoma Valley Hatchery.

Clarence Nauman of San Francisco has been quite sick.

Mrs. F. T. Duhring was in the metropolis Friday last in the interest of Red Cross work.

The Grammar School grounds are being beautified.

Brown Lynch rode down from his ranch in Mendocino County arriving here on his horse Friday night. He made the trip from Geyserville here the last day of his journey. After a few days' visit Mr. Lynch went to Suisun from which point he drove a band of yearlings up to his mountain range near Dos Rios.

Richard and Ted Rawley were here from the Bay City Sunday and took in the ball game.

Miss Emilie Poppe took the auto bus enroute to Santa Rosa Tuesday.

BASEBALL STARTS OFF WITH BANG!

Sonoma opened the baseball season Sunday with a loud bang, when they trimmed Glen Ellen 20 to 4. The Glen Ellen boys came down full of confidence but went down to defeat.

Managers Dal Poggetto and Modini must be given much credit for getting together a team that is faster than any Sonoma has had for a number of years.

With Andrieux, Evans, Stuermer and Stewart left from last year's team the addition of Dresel, Hastings, Palucci Stockwell and Whitlow has made a team that will be hard to beat.

The Sonoma boys all had their hitting clothes on, but Bunk Dresel was the heavy hitter of the day, getting 4 hits in 6 times up, also making a couple of fancy plays on the field.

Schmid was the heavy hitter for the visitors, getting 3 out of 4 times up, and Doon was the champion error maker, making 4 out of the 11 made by his team.

When the Sonoma team secured the services of Whitlow to pitch for the season, they got the best pitcher, outside of Boecoli, that has been seen in action here for some time. He had the Glen Ellen batters at his mercy at all times, fanning out 14 of them.

Following is the box score:
Sonoma R. H. E.
Glen Ellen 4 10 11
Tomorrow, April 15th, the local team takes on the Petaluma nine here and a fast game can be looked forward to as Petaluma has defeated Santa Rosa, Bloomfield and several other county teams.

Mrs. Ernest Hoen and a party of friends motored down from Sacramento and spent Easter at the Old Homestead, the L. L. Lewis ranch above El Verano.

Mrs. Mike Maffei of San Francisco was here over Easter visiting relatives. Mrs. Maffei is a sister of Mrs. James Maffei.

Gerardine Farrar, the beautiful star is to appear in Carmen on the screen at the Don on the 25th and 26th. Special music from Bizet's beautiful opera.

CUMMINGS TO AID

The Ex-mayor of Sonoma, M. E. Cummings has been appointed chairman of a committee from the Healdsburg Chamber of Commerce to aid Sonoma in the coming celebration in June. With Mr. Cummings to enthrone the people of Healdsburg over the importance of Sonoma's demonstration at the new highway connection between here and the Sacramento valley, it is a foregone conclusion that the pretty Sotoyome city will be "there a million" when it comes to taking part in our fiesta.

A communication from Secretary M. H. Rowell regarding the celebration was read before the Healdsburg Chamber of Commerce last Monday evening and resulted in the decision to help Sonoma in every way possible and the appointment of the following committee to confer with our people: M. E. Cummings, R. G. Cook and R. G. Jacobs.

The selection of Mr. Cummings meets with hearty approval here in Sonoma Valley where he was an active factor in the splendid work of launching the original plan for the Black Point Cut-off and was an indefatigable worker in securing the necessary appropriation which made the project possible.

SCHOOL TRUSTEES ARE ELECTED

Various Districts and Union High
School Held Elections Last Friday

The various school districts in Sonoma Valley held their regular elections last Friday and the contest in El Verano between A. R. Gale, the successful candidate, and J. K. Bigelow was spirited. Bigelow was defeated despite the fact that he worked tooth and nail, telephoning all his neighbors to support him and hiring C. L. Lawrie's auto and another machine to get people to go to the polls to vote for him. Mr. Gale, El Verano's S. P. station agent, won out with a substantial majority of 62-48.

In Flowery district the contest was between Frank Watriss, Barney Cohn and W. F. White. Mr. Watriss was re-elected.

L. A. Costa was re-elected in Glen Ellen district and Dr. Thomson here in Sonoma.

For High School trustee Walter Bundschu had no opposition and polled a good vote in all districts.

Results in the different districts as recorded in the office of Superintendent of Schools are as follows:

Enterprise Louise Weaver
Dunbar Thos. Johnson
El Verano A. R. Gale
Flowery Frank Watriss
Huichica R. F. McMichael
San Luis J. I. Keiser
Sonoma Dr. Thomson
Watnaugh Geo. Campbell
Glen Ellen L. A. Costa

The following are the returns from the High School election for trustee:

Walter Bundschu carried every precinct but two, receiving 200 votes in all; Thos. Johnson received 6 votes in Dunbar and Geo. Breitenbach 7 votes in Watnaugh.

CLUB NOTES

The Sonoma Valley Womens Club met Friday afternoon last, Mrs. Dora Stofen, president, in the chair. While the attendance was small, the meeting was most enthusiastic. After reading the minutes of the previous meeting and also of an executive board session, the announcement was made that the Sonoma Club will continue to pay dues in the District Federation of Clubs but will for the time being, withdraw from the State Federation.

Mrs. E. C. Campbell announced that she could not accept the office of Club Reporter. Mrs. Walter Murphy was thereupon officially appointed.

Mrs. Harry Lutgens resigned from the Auditing Committee and her place filled by the appointment of Mrs. E. Campbell.

A discussion in regard to the Club's participation in the celebration June 14-15-16 resulted in the official designation of Mrs. Stofen as the Club's representative. It was decided to give a benefit dance for the celebration fund at the clubhouse, the date to be announced later. The door receipts will be turned over to the finance committee of the festival and the sale of refreshments will be for the benefit of the Club itself. Committees appointed to arrange the details comprised Mesdames Hunter, Hatton, Von Hacht, Tate and Robin.

The County Council meeting was set for May 5th when all county clubs will be invited to Sonoma. The meeting closed with a spirited discussion on war and peace. Mrs. Martha Stearns gave a remarkable talk, full of real Americanism and vital interest. She was much applauded and the Club decided to put out the flag in front of the clubhouse to show its patriotic spirit.

Adjournment was taken to April 20—the date of President Stoen's reception. Celeste G. Murphy, Club Reporter.

Misses Smiths will open their millinery parlor in the Keifer building on Napa street, March 26th, for one month only with a full line of up-to-date millinery.

GIRLS "BIKE" IT INSTEAD OF "HIKE" IT

Three of Sonoma's popular girls rode over to Napa Thursday on their bicycles making the trip over in one hour but taking two to make the return trip. As the automobiles in both families were in use and the girls were on the important mission of buying a pair of dancing pumps, they determined to bike it. A picnic was enjoyed on the wayside and they were nicely entertained by relatives upon their arrival in our neighboring city.

Although somewhat fatigued after their strenuous trip the girls were enthusiastic and displayed the party slippers which were worn last night at the Alumnae banquet of the Business College in Santa Rosa of which Clyde Johanssen is a graduate.

Who says Sonoma is not observing "Bicycle Day?"

Mr. and Mrs. Henry Silvershield of Santa Rosa were guests at the L. Breitenbach home Sunday.

"GENE" HARRIS LIKES THE ARMY

Eugene Harris, son of Granville S. Harris and a member of one of the pioneer families of this section, is now stationed at the Castron Barracks 30 miles from Honolulu and he writes enthusiastically of Army life. "Gene" enlisted in February and after a month at Angel Island, sailed on the transport Sheridan for the Islands. He is in the cavalry and says Uncle Sam has the finest lot of horses he ever saw.

MARRIED IN SONOMA

Miss Melba Lindley, sister of Ed. Lindley, popular feedstore man, was united in marriage to Gordon Finch of the S. P. Company auditing department last Sunday at the Lindley home on Broadway. Dr. Pfeiffer officiated.

Felice Rovai went down to San Francisco Saturday afternoon.

"HERE'S MY CARD," SAYS PICETTI:—
"I'LL SEE YOU IN A DAY OR TWO."

"What Furniture do you need? What can I interest you in, in the line of good, dependable Furniture, Draperies, Shades, Rugs and Carpets, Coal Stoves and Gas Ranges?"

That's what John F. Picetti, may say to you when he sees you the next time. And he'll be in earnest about it, too.

For Mr. Picetti, in his capacity as Sonoma County representative for the old, reliable, long-established, fair-dealing firm of the John Breuner Company of San Francisco, is very much on the job—and is prepared to talk to you on every subject regarding the furnishing of a nice, cozy home; a handsome flat; a dainty little apartment; a student's room; a boarding house or hotel; or a bunkhouse for ranchhands.

Mr. Picetti, who has long been well

and favorably known to you, is one of the most active Field Representatives employed by the John Breuner Company, and is familiar with its policies of Good Goods, Superior Service, Moderate Prices and Ideal Terms. So when he drives along your way, with a pleasant smile and a cheery word of greeting for you, the Mrs. and kiddies, you'll know he's going to grow enthusiastic about Breuner's dependable merchandise.

He'll tell you that "Home is where the Heart is" and that to have a home WORTHY of the heart, you'll need the good, dependable furniture, lovely draperies, splendid rugs and maybe a good stove, that his firm sells. And he'll be right, too. If you listen carefully, you'll profit by what he has to say. So watch for his cheerful "how-de-do."

Louis Rouquie our local painter and decorator, is busy renovating L. Martin's Vineburg Inn.

Vineburg was well represented at the minstrel show and vaudeville for the Library benefit in Sonoma Wednesday evening. Miss Myrtle Hardy and Harry Schmiedeskamp deserve a puff and Vineburg was proud of them.

Miss Helen Forni is at present the guest of relatives and friends in San Francisco.

DROPPED DEAD

G. Dalbon who came here for his health from San Francisco about 3 weeks ago, dropped dead at the lively stable Wednesday. Although a physician was summoned when the man fell, life was found to be extinct when Dr. Hays arrived. Coroner Phillips held an inquest and the verdict was natural causes due to tubercular trouble.

Deceased is said to have brothers in San Francisco and the body will be held pending their arrival.

G. Baccala of Petaluma spent Easter with his brother here.

Mrs. T. D. Hall, Mrs. Dora Stofen and Dr. Rimer will represent Trinity Church at the convention in Sacramento this Spring.

Will Fisher has been here from Kern county on a visit to his relatives Mr. and Mrs. Al Kerner and family.

RED CROSS WORK FOR SONOMA

The activity of the men of Sonoma is none greater than is the part of the women of the community who are anxious to affiliate with the Red Cross. Mrs. F. T. Duhring visited San Francisco last Friday and went to Red Cross headquarters for information. She was told that Sonoma would probably cooperate with the Santa Rosa branch of the Red Cross. Mrs. J. J. Geary who is leader of the work there will take up the matter of having the women of Sonoma Valley affiliate with her organization shortly.

You Can Make Excellent Cake with Fewer Eggs

Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE

Old Way	New Way
1 cup sugar	1 cup sugar
1/2 cup milk	1 cup milk
2 cups flour	2 cups flour
4 teaspoons Royal Baking Powder	4 teaspoons Royal Baking Powder
3 eggs	1 egg
1/2 cup shortening	2 tablespoons shortening
1 teaspoon flavoring	1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. Add the flour and Royal Baking Powder together two or three times. After adding the milk, gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.

ROYAL BAKING POWDER
